

2011 Spring Fashion

New Year; New Fashion!

- Flashback! The 70s are back. You'll be seeing high waists, wide-leg pants, neat bow-blouses, and jumpsuits!
- Stripes! White & Navy stripes are a MUST.
- A Zest For Orange! Rich mango, ripe pumpkin– Bold orange is spring's sweetest color trend!
- To Tone down the orange, try the neutrals! Warm and soothing shades of sand, camel and ivory will perfect the look!
- A FULL skirt; The mini craze is over– Spring's skirt obsession is about elegance and sophistication!
- Mix your prints! Stick to one or two colors when mixing and matching!
- Fringes; But only the sleek and smooth form. It will add depth and dimension to your outfit!
- Pull your entire outfit together with a cropped jacket.
- RED lipstick to add some pop!
- Stretch Bracelets; not only are they chunky and beautiful, but versatile and comfortable!
